## FROM THE EDITOR

*B*rethren,

If “Welcome Back” isn’t entirely accurate, it’s close enough. Things Masonic definitely quiet down over the summer. But it’s September now, and we, the 18th District, are back in full swing. We actually kick off September on the last day of August. Lazarus’ September meeting, usually on the first Monday, has been permanently changed to the last Saturday in August, at 9am, to avoid the annual conflict with Labor Day. Then, after Labor Day we have other lodge meetings on every other evening during the first week of September.

We have some big and special events this month — our **OPEN DLI** in Cooper River Park on Wednesday, September 11th, and the **Official Visit of the Grand Master and Reception** in honor of our own **RW Joe Abiuso**, **RW Mark Friedrich**, and **RW Bud Madgey** (among others) on Thursday, September 19th. On Saturday the 14th, Rising Sun hosts the Friends of Haddonfield Library Book Sale, being held for the first time at the Haddonfield Masonic Temple.

Audubon-Parkside confers the Fellowcraft Degree on the 5th, USS New Jersey presents *Hunters of the Sky* on the 16th, and Rising Sun confers the Master Mason Degree on the 18th, with a celebratory “Carpetbagger” dinner prepared by RW Michael Mattes.

Astronomically speaking we enjoy a very special Harvest Moon this September, which occurs on September 17th during a partial eclipse, and of course, the Autumnal Equinox, the moment we cross over from Summer to Fall, is on September 22nd.

Check out the calendar and flyers within for full details, and I’ll see you around the district,

*Dave*

### ON THE COVER

Technically, the 2024 Harvest Moon occurs locally on September 17th at precisely 10:34 PM, right in the middle of a partial lunar eclipse that begins at 8:41 PM and runs past midnight—all beautifully visible from our area. However, the moon will appear full for three nights, from September 16th to September 18th. The Fall equinox, marking the turn from summer to autumn, occurs a few days later, on Sunday, September 22nd, at 8:44 AM EDT. The equinox occurs at the same moment for the entire planet. It has nothing to do with any phenomenon in the sky, but rather with the earth’s position in it’s orbital journey around the Sun.

*The world is my country, all mankind are my brethren, and to do good is my religion.*

— Thomas Paine

## IN THE COMMUNITY

### Lazarus Lodge No. 303

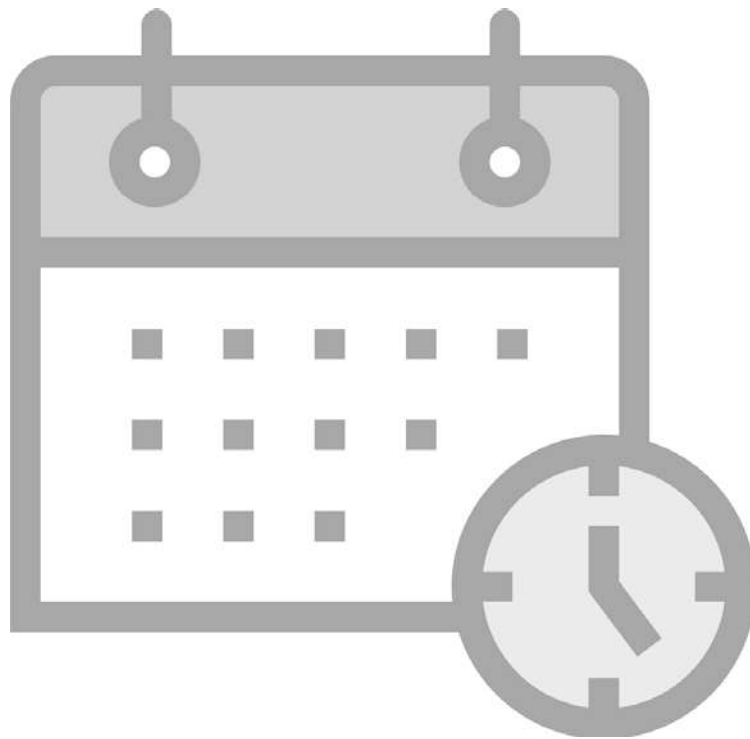

Submitted by RW Mark A. Friedrich, Grand Chaplain

**B**ack in June, for Friends and Family day at New Mickle Baptist Church, the brothers of Lazarus Lodge No. 303 volunteer for cookout duty, making hot dogs and hamburgers after the church service. Lazarus has worked closely with the church for many years, providing fund raisers, man power, and gifts of fresh food and/or prepared meals for those in need. Because there was no Summer District Light this year, this is our first opportunity to report on Lazarus Lodge's latest community service. We applaud Lazarus and encourage all our 18th

District Lodges to find similar ways to help in the community.

# SUDOKU

Enter the digits 1-9 in each of the 3x3 boxes so that no digit is repeated in any row, column, or within a box. Sudoku is a game of pure logic. You should never have to guess. There is always a way (even if sometimes a very complex way) to logically determine where the numbers go. On a difficulty scale of 1 to 5 (easy to hard) this Sudoku is rated as 2 in difficulty.
