

Worshipful Master's Message

Spring has arrived! We can look forward to barbecues and baseball, day trips to the Jersey shore, vacations and best of all, warm weather. Now that we have the winter season behind us, it's time to re-focus our efforts and continue to move our Lodge in a positive direction. This starts with leadership and Brethren who have passion and drive for doing what's right and just. Doing what's right and just applies not only to our Lodge and Fraternity but for greater good in general.

As Freemasons we have a golden opportunity to take to heart the life lessons learned from our gentle craft, to lead by example and like chalk, leave a positive trace behind. This is how you want to be remembered. The greatest compliment we can receive is the following: "He's a good man, he must be a Freemason". It starts with you as an individual, making the right choices every day and supporting those choices with a strong faith in God. What you do every day, no matter how big or small is important. More than ever in today's world, with all the technology available, doing what's right and just when no one is watching has never been more important. We know as Freemasons, the All Seeing Eye of God is upon us and will judge us according to our merits. Always keep this mind and make the time count to the best of your abilities for others and yourself.

My sincere thank you to all who attended Ladies Night, there were a total of 88 Ladies and Brethren and thank you to all who planned it. Our Bowling night was a great success also. There were 47 bowlers in attendance and thank you for attending. Please refer to future fun events in this Trestleboard.

Last month's Trestleboard was my first attempt at publishing a newsletter. I hope you enjoyed the content and please feel free to comment with suggestions to improve it.

May our Heavenly Father Bless you and keep you in his eternal Grace.

April Freemason History

On April 22nd 1785 Wolfgang Amadeus Mozart was raised to the sublime degree of Master Mason. Mozart was certainly the rock star of his day and will not easily be forgotten. If you've not seen the movie, I highly recommend the Academy Award winning movie Amadeus from 1984.
