

Worshipful Master's Message

Brethren, the following message is called:

The Value of a Smile by Dale Carnegie

It costs nothing but creates much. It enriches those who receive without impoverishing those who give. It happens in a flash and the memory of it sometimes lasts forever. None are so rich they can get along without it and none so poor but are richer for the benefits. It creates happiness in the home, fosters good will in business and is the countersign of friends. It is rest to the weary, daylight to the discouraged, sunshine to sad and nature's best antidote for trouble. Yet it cannot be bought, begged, borrowed or stolen, for it is something that is not earthly good to anybody till it is given away. For nobody needs a smile so much as those who have none left to give!

To build upon the above "if you want to gather honey, don't kick over the beehive". I know this is an old cliché, however, I've come to realize this holds true in most cases especially in business and when socializing with folks in general. Be diligent, prudent, temperate, discreet and remember Brethren do not forget to smile.

As we approach the summer months, I want to thank everyone for your support and guidance during the first half of the year. Wow, has it flown by.

Even though we don't have scheduled meetings during July and August, unless we have an emergent communication, know that our Lodge is active with officer rehearsals every Tuesday night in advance stations. Please feel free to attend our officer rehearsals to help strengthen the Officer Line.

In addition, read this Trestleboard for fun events during the summer, including a race night July 18th, our annual family picnic on July 25th and a Worshipful Master Road Trip scheduled for August 15th. We will resume our regular communications on Friday September 5th.

May our Heavenly Father Bless you and keep you in his eternal Grace.

Fraternally,
Robert A. Taylor
Worshipful Master
