Worshipful Masters Message

"Masonry aims at the promotion of morality and higher living by the cultivation of the social side of man, the rousing in him of the instincts of charity and love of his kind. It rests surely on the foundation of the brotherhood of man and the fatherhood of God."

President William Howard Taft

Let us not forget the obligations we have made to each other as Laurel Lodge deals with its recent losses and changes. Strive to carry the morals and lessons of Masonry through every aspect of your life as to improve yourself as a man and to improve the world around you.

MEETING MINUTES

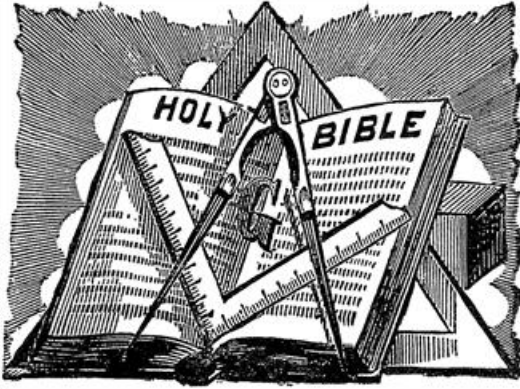

Message about Dues payment to Laurel Lodge 2024

Good day Brethren. I hope all is well with everyone. I understand that there is much confusion concerning payment of dues. Dues notices are to be sent during the fall of each calendar year. Normally our Lodge will send the notices after Grand Lodge of New Jersey notifies each lodge of the assessment inventory for the next year. At that point, each member will have an invoice sent with the lodge dues including any increase voted by the membership usually during September of the current year. According to the by-laws of Laurel Lodge, the membership is required to pay dues for the next year by December 31st of the of the current year. This may be the source of confusion. Think of renewing dues for the forthcoming year in this fashion. If one subscribes to a magazine annually and one receives the renewal notice before the first issue of the magazine arrives for the New year, a reminder letter will be sent to the subscriber. If payment is not received, then a second notice will be sent. Thus, it is with lodge. This coming fall dues notices for 2025 will be sent to all Members. This also helps our lodge with payment of the assessment to Grand Lodge with no worries of the financial status of our lodge. The Master and Wardens will be able to look to working within the past spending nature for the betterment of our membership and contributions to society for charity. To answer a question of a grace period, members have by by-laws of the individual lodge and Grand Lodge up to 12 months to pay the aforementioned notice. Here is a rub for me serving as Secretary. When December 31st hits, the entry for dues on Grand View accounting turns red. Just like in the days of typewriters having a red ribbon for entering accounting entries, that is what would be seen. Black Friday is so named because of ledger entries by the typist for P&L statements. For the membership, Grand Lodge of the State of New Jersey has set forth a program called Grand View. If you are not aware of this, members can log into the site provided by Grand lodge to view status of each member and provide additional information about oneself for general viewing by the membership at large. Also, each member may view their individual financial statement with Their lodge. Your statement may be printed for your records, an invoice for payment maybe printed along with a number 10 envelope with address of the lodge to send payment if so desired and/or each members skill and expertise will be up to task. The lodge secretary will accommodate the wish of the member by adding notations to each account. I find it very convenient. I plan, with Master's permission, to demonstrate the system at lodge one meeting on the overhead projector so to clear any questions one may have.

Please contact me with your questions.

Fraternally, Jerry Barnish, P.M. Secretary 2024
