Worshipful Masters Message

My Dear Brother,

I want to welcome you back and hope you had a relaxing and enjoyable summer. My Brother, we all joined this Fraternity not only to improve ourselves but to help others.

By putting others first, we are trying to accomplish that objective knowing that we will never be perfect in this life. We must all look past our many differences and opinions and come together to agree to disagree always remembering keeping our obligations to the world and each other is how we will survive.

From our ritual ‘to spread the cement of Brotherly love and affection into one Sacred band of Society of Brothers among whom no contention should ever exist but that noble emulation of who can best work or agree’ unites us all by what we have in common. The term “United we Stand, divided we Fall” can be traced back over 2000 years and holds true today. The principles of Freemasonry are needed in this world now more than ever. Keep your light shining where ever you go.

**Sincerely and Fraternally
Craig J. Woodruff WM**

The Skerritt

Dear Brother,

Reflecting back when I was an exemplar for an English 3rd Degree I noticed a working tool that I was unfamiliar with and wanted to share with you if it is unknown to you also. The Skerritt is a measure one that is to ensure the foundation of a building is straight by laying down the string as a marker. It is related symbolically to the 24 inch gauge and the plum rule, but has a specific connotation to the Third Degree. The main subject of the Third Degree is one's mortality and immortality. The Skerritt represents the foundation of the way of life we are to follow as laid down to us by our Creator keeping it on the straight and narrow, so to speak, using our Masonic principles. We should allow the skerritt, therefore to remind us to start building our character on a proper foundation namely the many virtues of behavior found in the Masonic Ceremonies, and in the Holy Word of the Almighty. And we should allow this tool to remind us why we should do so the end of our life shall end some day and we should prepare now for what comes next.
